

Discover the Flyway

Teacher Workshop Registration Form

The *Discover the Flyway* Field Trip program is a great way to interest students and help them appreciate and understand the natural world. The program is a great way to interest students and help them appreciate and understand the natural world. The program focuses on a thematic approach to integrating reading and writing with wildlife, science, and natural resources conservation.

The Teacher Workshop familiarizes K – 12 teachers/educators with wetland habitats in the context of the Yolo Bypass Wildlife Area and provides suggestions and lessons for hands-on learning. Field trip activities focus on the plants, birds, soils and wetland habitats of the Yolo Bypass Wildlife Area and Demonstration Wetlands as an outdoor classroom and are tied to state teaching standards. The workshop is also directed towards teachers/educators interested in learning to teach students about wetlands, wildlife and human history in the Central Valley.

There will be two workshops this fall, September 17 and October 8, with registration beginning at 8:00 am, the program from 8:30am – 4:00pm. You need only attend one day but must attend the entire workshop in order to fulfill the requirement to schedule a *Discover the Flyway* field trip.

The cost is \$30.00 and includes continental breakfast and lunch, workshop materials, and a guided carpooling tour of the Yolo Bypass Wildlife Area. To register fill out the form, save the file to your desktop, then email it as an attachment to aburris@yolobasin.org . Driving instructions will be sent with your confirmation.
