

2020 - 2021 Discover the Flyway Teacher Introduction to Virtual Programs

Live, Virtual Learning Activities

Reservations, Schedule, and Fees

- Scheduling will be as flexible as possible depending on teachers' needs and staff schedules
- Three learning activity time slots will be available per day: 9:00 am, 11:00 am, 1:00 pm;
- Live, virtual learning activities will be scheduled for 40 minutes
- Programs are intended for **one class** at a time
- Flat fee: \$75 for the first learning activity and \$50 for each additional learning activity
- The "What is a Wetland Introduction", a recorded introduction to wetlands, is available free with the reservation of a learning activity

Available Live Activities and Hands-on Materials

- Refer to the Virtual Discover the Flyway webpage, www.yolobasin.org/virtualdtf, to see the list of Discover the Flyway activities that will be offered live and remotely
- Hands-on Materials
 - Some virtual learning activities will require hands-on materials
 - All required materials, with the exception of Owl Pellets, are included in the flat fee for the activity. (Owl Pellets are an additional \$2.00 per student fee if provided by Yolo Basin Foundation.)
 - Materials must be requested in advance and can be picked up at Yolo Basin Foundation. In special cases, materials can be delivered (to one location within a 15 – 20 mile radius of Yolo Basin Foundation) by a staff member or volunteer. Some materials may be mailed and will include additional fees for postage.

Recorded Discover the Flyway Activities

Available Recorded Activities and Fees

- See our website, www.yolobasin.org/virtualdtf, for a complete list of available Recorded, Virtual Discover the Flyway Learning Activities.
- Recorded activities are 15 – 20 minutes long and can be watched at any time.
- Programs are intended for **one class** only; do not share these resources with others
- Flat rental fee: \$10 for each recording
- Recorded Discover the Flyway Learning Activities are available for viewing through the end of the 2020-21 school year

Wild About Wetlands Kits www.yolobasin.org/virtualdtf

These interactive, hands-on resources are available for pick up and use by teachers. Contact Corky Quirk, cquirk@yolobasin.org, for more information

**2020 - 2021 Discover the Flyway
Teacher Introduction to Virtual Programs**

Discover the Flyway from Home www.yolobasin.org/virtualdtf

A collection of resources and information available on Yolo Basin Foundation's website created with remote learning in mind. Available for teachers, parents and students to explore together or independently.
