

Discover the Flyway In-class Activities
Terms and Conditions

Program Reservations: All reservations are made on a first come first served basis. To start the reservation process, select an available program date for your In-class Activities online on Yolo Basin Foundation's website. After selecting a date, you will receive an acknowledgement email with a link to an Information Survey. Your reservation will be confirmed after you submit the Information Survey. You must select a separate date and submit a separate Information Survey for reservations on multiple days. **Selecting a program date without completing an Information Survey does not confirm program.**

Cancellations If you need to cancel your reservation, **notify us as soon as possible** and at least two weeks before the scheduled program. Rescheduling a canceled WetlandsWagon program is based on availability and is not guaranteed. Very rarely, Discover the Flyway staff may be required to cancel a program. Every effort will be made to reschedule a canceled program.

Group Size: One class (35 students maximum).

Supervision: The teacher is required to assist with program instruction, is responsible for supervision, and must remain with students at all times.

Weather: We will bring the program to your school rain or shine. If the location for your program is outside, dress appropriately for the weather.

Program Costs: Preferred methods of payment are cash, credit card, or check payable to Yolo Basin Foundation. There is no cost for chaperones. **Payment should be made two weeks before the date of the program.**

Invoices: An invoice for your program will be emailed to the person making the reservation after the Information Survey is received.

Refunds All refunds due to cancellation are subject to a \$10 administration fee. No refunds will be given within 14 days prior to the start of the program.
