

Discover the Flyway Vernal Pool-based Field Trips  
Terms and Conditions

**Program Reservations:** All reservations are made on a first come first served basis. To start the reservation process, select an available program date for your field trip on Yolo Basin Foundation's website. After selecting a date, you will receive an acknowledgement email with a link to an Information Survey. Your reservation will be confirmed after you submit the Information Survey. You must select a separate date and submit a separate Information Survey for each reservation. **Selecting a program date without completing an Information Survey does not confirm a field trip.**

**Cancellations** If you need to cancel your reservation, **notify us as soon as possible** and at least two weeks before your scheduled program. Rescheduling a canceled field trip is based on availability and is not guaranteed. Very rarely, in severe or unsafe conditions, Discover the Flyway staff may be required to cancel a program. Every effort will be made to reschedule a cancelled program.

**Group Size:** Minimum 15 students; Maximum 40 students (no exceptions).

**Supervision:** The teacher is responsible for supervision and must remain with students at all times. A minimum of one chaperone is required for each station. Chaperones are expected to assist with student management and must remain with their assigned students at all times. No siblings are allowed.

**Weather:** Discover the Flyway field trips take place rain or shine. Dress appropriately for the weather. Sturdy, closed-toed shoes, sunscreen and hats are recommended.

**Teacher Workshop:** Teachers are required to attend a one-time Teacher Workshop before bringing their students on a Discover the Flyway Vernal Pool-based field trip.

**Program Costs:** The Discover the Flyway Vernal Pool-based field trips are **free. There is no cost to you.** These programs are supported through a partnership with Yolo County and funded by a California Department of Parks and Recreation grant.
