Terms and Conditions

**Program Reservations:** All reservations are made on a first come first served basis. To start the reservation process, select an available program date for your activity on Yolo Basin Foundation's website. After selecting a date, you will receive an acknowledgement email with a link to an Information Survey. Your reservation will be confirmed after you submit the Information Survey. If you are reserving virtual learning activities on multiple days, you must select a separate date and submit a separate Information Survey for each reservation. **Selecting a program date without completing an Information Survey does not confirm a field trip.**

**Cancellations** If you need to cancel your reservation, **notify us as soon as possible** and at least two weeks before your scheduled program. Rescheduling a canceled virtual learning activity is based on availability and is not guaranteed.

**Group Size:** Maximum one class per presentation (no exceptions).

**Supervision:** The teacher is responsible for supervision and must be available to moderate student behavior at all times.

**Teacher Workshop:** Teachers must read the Teacher Introduction to Virtual Programs before reserving a virtual program. This does not replace the requirement to attend a one-time Teacher Workshop before bringing their students on a field trip.

**Fees** \$100.00 per live virtual activity. Preferred methods of payment are credit card or check payable to Yolo Basin Foundation at least one week prior to the program.

**Invoices:** An invoice for your program will be emailed to the person making the reservation after the Information Survey is received.

**Refunds** All refunds due to cancellation are subject to a \$10 administration fee. No refunds will be given within 14 days prior to the start of the program.
